Bangladesh Squad Announced for the 2024 Men's T20 World Cup | Shanto to lead Bangladesh in T20-WC

By Aryan Thakur

May 14, 2024 1:53 PM IST

After securing a dominating 4-1 home T20i series win against Zimbabwe, the Bangladesh Cricket Board (BCB) announced Bangladesh Men's Cricket Team's 15 - player squad for the upcoming 2024 T20 World Cup.

Najmul Hossain Shanto, who was appointed as the all format skipper of the Bangla Tigers earlier this year will be handling the leadership duties in the 2024 T20 World Cup and fast bowler Taskin Ahmed has been appointed as the vice captain.

The squad also consists of veteran all - rounder Shakib Al Hasan who recently made his return to the shortest format of the game after a span of nearly one year. Shakib was also a part of Bangladesh's squad for the final two T20 International games against Zimbabwe and he had a great outing with the ball in the fourth game, picking up a crucial four wicket haul.

The decision of appointing Taskin Ahmed as the vice captain comes as a huge surprise. The 29

year old has been playing International Cricket for the Bangla Tigers since 2014 but his career has been hampered by injuries. Taskin was the player of the series in the recently concluded Zimbabwe series where he managed to pick up eight scalps in four matches.

Bangladesh's squad for the 2024 T20 World Cup is a good mixture of experienced season campaigners and dynamic youngsters. Mohammad Saifuddin who was a part of the squad for the Zimbabwe series has not been included in the World Cup squad while spin bowling all rounder Afif Hossain is a part of the traveling reserves.

The batting of the Najmul Hossain Shanto led team is looking really strong as the duo of Soumya Sarkar and Litton Das will be handling the opening duties while the middle order will comprise of the experienced players Shakib Al Hasan, Mahmudullah, skipper Najmul Hossain Shanto and Towhid Hridoy.

Hard hitting youngster Jaker Ali is having a good time with the bat and is anticipated to be the backup wicketkeeper for the Bangla Tigers.

Mustafizur Rahman and vice captain Taskin Ahmed will be handling the fast bowling duties while leg spinner Rishad Hossain and off spinner Mahedi Hasan will provide a lot of variety to skipper Shanto in the spin bowling department.

Bangladesh Full Squad for 2024 T20 World Cup

I just like to take a bit more risk & expose that side in middle overs - Virat Kohli

Virat Kohli recently spoke about his gameplay in the IPL 2024 and stated that he likes to take more risks which helps him to improve his strike rate. Talking about the same, he explained:

"I just like to take a bit more risk & expose that side in middle overs - which is a massive factor. That helps me to keep my strike rate up & team as well. For me, Quality over quantity."

"That is something I try to replicate in every practice session & some added challenges in terms of improving your own game because the game is evolving."

Virat Kohli is the leading run-getter in the IPL 2024 with 661 runs to his name from 13 innings.

As the Board of Control for Cricket in India (BCCI) invites applications for the role of Team India's head coach, former Australian coach Justin Langer says, he is "curious" about it. The head coach's seat will be vacant in Indian cricket after incumbent Rahul Dravid completes his extended tenure at the conclusion of the upcoming T20 World Cup 2024.

The BCCI, on Monday, officially forwarded the development to invite fresh applications for the role.

"We will call for applicants in the next few days. Rahul Dravid's tenure is coming to an end. If he wants to reapply, he can," BCCI secretary Jay Shah told select media on Thursday. "We are looking for a long-term coach, for three years."

Notably, Rahul Dravid was roped into Team India for the head coach's role by the BCCI back in November 2021, initially, for a two-year period. The contract had expired after the last ODI World Cup, which was held in India, however, due to the impending T20 World Cup 2024, the cricket board extended the contract for a year.

Now with the completion of the T20 World Cup 2024 in June, Rahul Dravid will have to step down from his head coach's chair, unless he wishes to reapply.

Meanwhile, Justin Langer, who is one of the potential candidates for the role, said, though, he has never thought about it, but he is curious.

"Well, I am curious," Langer said told TOI when asked whether he would apply for the post. "I've never ever thought about it. I have deep respect for any international coach because I understand the pressure, but coaching the Indian team would be an extraordinary role. From what I've seen with the amount of talent I've seen in this country, it would be fascinating," he added.

Currently, Langer is involved with Lucknow Super Giants (LSG) as the head coach of the team. The KL Rahul-led LSG has done decently so far, although, they are yet to qualify for the IPL 2024 playoffs. Prior to this

appointment of his, Langer was Australia's full-time coach, under whom Australia lifted its maiden T20 World Cup title in 2021.

Langer is credited for reviving Australian cricket following the infamous sandpaper gate scandal in 2018. However, he quit the role citing "bull**** politics" within the Cricket Australia (CA).

Meanwhile, Team India last had the services of an overseas coach close to a decade ago. Former Zimbabwe cricketer Dunken Fletcher held the head coach's role in the Indian side between 2011 and 2015. He was later replaced by Anil Kumble.

Gujarat Titans are officially out of the tournament now with their match against Kolkata Knight Riders being called off due to rain. They are sitting at the eighth position in the IPL Points table with 5 wins in 13 matches with one being washed off.

They could have reached 14 points in the best possible fortune but they had the worst NRR among the ten teams so it was almost impossible for them to secure their seat at the top 4. Two back-to-back finals for Gujarat Titans and now they can't even qualify for the playoffs.

KKR, on the other hand, have made sure their two spots. They have

one match left against Rajasthan Royals and already they are at 19 points. They also possess the best Net Run Rate among the 10 teams and they are a strong contender for the trophy this year.

Gujarat Titans eliminated from the race of playoffs, Check the Updated Points Table of TATA IPL 2024

By Aryan Thakur
May 13, 2024 11:54 PM IST

On Monday, May 13 the Kolkata Knight Riders secured their position in the top two spots of the 2024 Indian Premier League overall standings after their match against the Gujarat Titans was washed out due to rain.

GT and KKR were slated to lock horns against each other at Ahmedabad's Narendra Modi Stadium tonight but the game was called off without a ball being balled due to constant rainfall. The Home side were supposed to play this match in their Lavender coloured jersey in a bid to keep their playoff hopes alive but the Rain Gods had some other ideas. The match getting washed out means the Gujarat Titans became the third IPL team after Punjab Kings and Mumbai Indians to get eliminated from IPL 2024

"In a clash which was going to be a highly anticipated one, the match between the Gujarat Titans and Kolkata Knight Riders was unfortunately called off due to constant rainfall, which means both the sides will be sharing the points between each other," IPL said in their official statement.

GT currently has 11 points next to their name and they can only get to 13 points if they manage to win their

final IPL 2024 encounter against Sunrisers Hyderabad.

Following the washout, the top two teams at the top of the table remain unchanged. Five-time winners Chennai Super Kings moved to the third position after defeating the Rajasthan Royals easily on Sunday.

Having started their IPL 2024 campaign in a dominant fashion, IPL 2016 winners Sunrisers Hyderabad are yet to secure their qualification for playoffs as they are currently sitting at the fourth spot in the points table with 14 points as well.

On the other hand, the fifth, sixth and the seventh positions in the overall standings are occupied by Royal Challengers Bengaluru, Delhi Capitals and Lucknow Super Giants respectively, with 12 points each.

IRE vs PAK 3rd T20I: With the series on the line, Pakistan will face the courageous and sharp opponents Ireland in the final showdown of the series. The series is in level and the 3rd T20I will be the decider of the short three-match T20I series and here we are with the strongest playing 11s of Pakistan and Ireland, Dream11 Prediction, Full Squads for IRE vs PAK 3rd T20I.

In these two T20Is, it is pretty clear that Ireland is nothing but a tough opponent and you can't be loose on them. Any chance provided, they will clinch on that and make you regret that in the end. They were just outstanding in the first T20I defeating the full-strength Pakistan side and then showed up with a brave effort in

the second T20I as well.

Posting a 190+ score against one of the best bowling lineups in the world currently is not a cakewalk. Ireland batted first and lost both their openers within the 4 overs, lost 7 wickets at 165 in the 19th over, and still managed to post a grand total of 192. However, they missed a couple of opportunities that cost them the match or they would have sealed the series leaving the visitors down and out.

Pakistan, on the other hand, were left stunned after the first loss but came up with a grand bounce on the rough. They, however, got a couple of lucky splashes but eventually won the second T20I with authority. They punched and dismantled the Irish bowling lineup to seal a 7-wicket win in the second T20I.

The third T20I will be the ultimate test for the Ireland team as they are so close to announcing their International impact in cricket. This is a big opportunity for them and they would be well aware of it as well. In contrast, it is now a first of pride for Pakistan. They can't lose it or it will definitely be an international setback for them.

IRE vs PAK 3rd T20I: Strongest Playing 11s

Pakistan's Strongest Playing 11

Any change in Pakistan's lineup is not expected. They looked fully

balanced in the second T20I and would come up with a similar playing 11. Batters are in the best of their forms, and bowlers are good with the ball. Pakistan used four quick bowlers in the second T20I and now as the third T20I is also going to be played at the same ground, they can go for an extra spinning option.

Ireland Strongest Playing 11

Ireland were also in a good balance in the first and second T20I. They have a good and deep batting line-up that provides the top order a license to explode at the top. The bowling isn't much discussed among us but they are pretty confident with the options they have.

and headed back to England.

With the T20 World Cup 2024 just around the corner, the international cricketers were bound to leave their franchise duties to fulfil their national duties. The formalities to name the replacements for the rest of the IPL season are being finalised by the teams.

The respective IPL franchises announced the premature departure of their contracted players with a social media post, wishing their players the best for the future.

Among all, Rajasthan Royals (RR) and Royal Challengers Bengaluru (RCB) will be massively impacted by the outgoing of the English players. While Jos Buttler has played a key role in RR's dominance this season, Will Jacks has helped RCB in reviving their dull campaign towards the last phase of the ongoing IPL 2024.

As Punjab Kings (PBKS) is already eliminated from the tournament, they won't be bothered with the departure of Liam Livingstone. Moreover, the PBKS batter had an underwhelming season with the bat as he could only score 111 runs in 8 IPL outings.

"IPL done for another year, had to get my knee sorted for the upcoming World Cup," Livingstone wrote on his Instagram wall.

"Thanks once again to the Punjab Kings fans for all their love and support. Disappointing season as a team and personally, but as always, I loved every minute of playing in the IPL," he added.

Wishing luck to their players, RCB wrote, "Jacksy and Toppers are heading back home for international duties and we wish them all the very best. You were incredible in the camp and on the field this IPL. See you soon, lads."

Meanwhile, RR opener Jos Buttler asked his franchise officials, "Facetime me with the trophy. Yeah."

Ahead of their T20 World Cup 2024 run, which will begin on June 04 against Scotland in Barbados, England are set to host Pakistan for a 4-match T20I series. The series gets underway on May 22 in Leeds. The two sides will travel to Birmingham for the second game followed by a stop in Cardiff and London respectively.

IRE vs Pak 2nd T20I Match Summary

The visitors won the toss at first and asked Ireland to bat first. Ireland welcomed the decision and thumped 29 runs in 3 overs but an excellent over by Shaheen Shah took the momentum away from the home side. He knocked out skipper Stirling and last match hero Balbirnie in the same over.

Lorcan Tucker and Harry Tector combined to bridge the innings further where the wicketkeeper batter Tucker smacked 51 off 34 balls. They were 165 for 7 down with just 9 balls left in the game and then Gareth Delany showed up his superior class with bat and posted 26 runs in the 7 he played. Following the brilliant finish, Ireland asked Pakistan to chase 194 to level the series.

It was a horrific start for Pakistan with Saim Ayub and Babar Azam going back to the pavilion within the first 10 balls of the chase with just 13 runs on the board. Rizwan and Fakhar took charge and started thrashing the Irish bowlers.

Fakhar Zaman stole the show (Getty Images)

Rizwan smashed a 34-ball fifty whereas Fakhar got an even faster 30-ball fifty that took Pakistan in a much comfortable position. Zaman went flying fast after his 50 and lost his wicket after a quick 78 off 40 balls. Azam Khan came up and came up with an absolute banger as he smashed 4 sixes to reach 30 off just 10 balls.

Pakistan chased up the target within 17 overs and that lays a mark

on their day, Pakistan's batting lineup can be one of the most brutal lineups you could ever face. Pakistan won the match by 7 wickets.

GT vs KKR Match Preview

Not long ago, Gujarat Titans (GT) was nowhere close to the scheme of things as far as IPL 2024 playoffs were concerned. The former champions were languishing at the bottom of the points table, however, they did a bit of heavy lifting to save their IPL 2024 campaign.

GT recently defeated Chennai Super Kings (CSK) with a blazing win. The GT openers were on song against CSK as they ripped apart the CSK bowling unit. Following the batting stint, the Titans were also on top, with their operations with the ball in

hand.

The comprehensive show at the world's biggest cricket ground ensured that GT remained in the playoff hunt. Although they aren't completely in control of their IPL 2024 playoff qualification, some chances are still there for them.

On the other side, Kolkata Knight Riders (KKR) have become the first team to qualify for the IPL 2024 playoffs. KKR defeated Mumbai Indians (MI) a few nights ago and sealed a spot in the playoffs.

Although they are confirmed to be in the top 4, KKR's liking would be to remain in the top 2 no matter what. The top 2 finish gives immunity to the teams to get an extra chance even if they lose the first qualifier.

Narendra Modi Stadium Pitch Report

The other night the fixture at the Narendra Modi Stadium turned out to be a high-scoring game. Expect something similar this time as well. The surface aids the batters as well as the spinners. There is little to no help for the seamers. Chasing the total is often considered safe here, but Gujarat Titans (GT) have been inconsistent with their show and their last win came batting first, don't be surprised if they opt to bat first.

IPL Points Table (Updated): Match number 62 of Tata Indian Premier League 2024 took place between Royal Challengers Bengaluru and IPL 2020 runners up Delhi Capitals at the Chinnaswamy Stadium of Bangalore. It was a must win game for both the teams and the Faf Du Plessis led team did not disappoint their home crowd as they defeated the Rishabh Pant less Delhi Capitals by 47 runs and this win meant that the playoff hopes of RCB are still alive while DC have been effectively eliminated from the race of the playoffs after this defeat.

Stand in skipper Axar Patel won the toss and chose to field first and the game had a very entertaining start as RCB lost the duo of Virat and skipper Faf in the first six overs but

runs galore in the Powerplay as well thanks to the sublime efforts of Rajat Patidar (52 runs in 32 balls) and Will Jacks (41 runs in 29 balls).

Rajat got dismissed in the 13 over off the bowling of Rasikh Salam but RCB carried on with their run flow as Cameron Green's cameo of 32 runs in 24 deliveries ensured that the home side did not lose their run scoring momentum but the visitors bowled really well in the death overs and kept the home side under the 190 runs mark.

The duo of Khaleel and Rasikh Dar picked up two wickets each for DC and remained economical in their spells as well.

In the chase inning of the visitors, the superb bowling of the Bengaluru based team helped them defeat the Capitals as the top order of the visitors failed to get going and the unlucky runout of Jake Fraser - Mcgurk (21 runs in 8 balls) further damaged Delhi's hopes of staying in the game

Shai Hope played a decent inning of 29 runs and skipper Axar stepped up with the bat as well with his lone warrior knock of 57 runs in 39 balls but they weren't able to do much against the flamboyant bowling of the home side and eventually RCB finished on top in the end.
